

Kwiple dictionary

yanezthetize (yə nez thə tīz), v.

To authorize a white dressed in blue to kill a black.

Memorializes Jeronimo Yanez, the St. Anthony, Minnesota, cop who panicked during a traffic stop, was live-streamed on Facebook from inside Philando Castile's car and caught on a police dashcam video as he shot Castile seven times, claimed he felt threatened when Castile followed his orders, lied about what he saw in court, and was acquitted of all charges.
