

Lame-ass excuse

As vice president of the United States, I'm tested for the coronavirus on a regular basis, and everyone who is around me is tested for the coronavirus.

Since I don't have the coronavirus, I thought it'd be a good opportunity for me to be here, to be able to speak to these researchers, these incredible health-care personnel, and look them in the eye and say thank you.

Mike Pence,
justifying sauntering through the Mayo Clinic talking to others about COVID-19 coronavirus without wearing a mask, in violation of CDC guidelines and the clinic's explicit instructions that everyone in the building must wear one
