

Liars say

... all the machines are infected with the software code that allows Dominion to shave votes for one candidate and give them to another and other features that do the same thing.

Different states shaved different amounts of votes, or the system was set up to shave and flip different votes in different states.

...

We're talking about the alteration and changes in millions of votes; some being dumped that were for President Trump, some being flipped that were for President Trump.

**Sidney Powell, Trump's lawyer,
to Fox News host Maria Bartiromo**
