

Liars say

THE UNITED STATES SENATE HAS

NEVER

**BEEN ABLE TO
END DEBATE WITH**

A SIMPLE MAJORITY

Poster displayed by Joe Manchin as he announced he's siding with all Republican senators to preverve the anti-democratic requirement for 60 votes to end a filibuster, rather than preserve voting rights for millions of Americans by lowering it to 51, something that's often been done in the past, as when his was the 51st vote that put Brett Kavanaugh on the Supreme Court
