

# Lies

**The man from the BBC  
was laughing as he reported  
the White House's false claims  
about the size of the crowd at  
Donald Trump's inauguration.  
He should have been crying.**

**What we are witnessing is  
the destruction of the credibility  
of the American government.**

**Gideon Rachman,  
Financial Times, January 24, 2015**
