

Making money the new-fashioned way

**The buyer who purchased
a Manhattan penthouse for a
record \$50.9 million in early 2014
is relisting the same unit for \$70 million
... the seller ... declined to comment ...
When the penthouse was sold by the
developers for \$50.9 million in 2014,
it set a record for the most expensive
home sale downtown ... The apartment
... has never been occupied**
