

Native Americans

A great general has said that the only good Indian is a dead one, and that high sanction of his destruction has been an enormous factor in promoting Indian massacres. In a sense, I agree with the sentiment, but only in this: that all the Indian there is in the race should be dead. Kill the Indian in him, and save the man.

**Richard H. Pratt,
founder and superintendent of the
Carlisle Indian Industrial School,
the famous government-run boarding school
where Native American children who were
forcibly removed from their families were sent
to erase vestiges of their tribal culture
by being taught to act like whites**
