

Plans

**I really did have a lot of plans
and that seemed right to me.**

**If you decided to run for president
and wanted to get a ton of things done,
wouldn't you need a lot of plans?**

**And they couldn't be
wing-and-a-prayer plans.
They had to be serious plans.**

Detailed plans.

**Plans with enough information that
anyone could see the costs, the trade-offs,
and the values that they embodied.**
