

## **Populists say**

**January 20th, 2017,  
will be remembered as  
the day the people became  
the rulers of this nation.**

**Donald Trump,  
to whom "the people" means only  
his family, entourage, appointees,  
and the 27% of eligible voters  
who voted for him,  
which was 4% less than  
those who voted against him**
