

Presidency

**Imagine just for a moment,
if 9-11 had happened with
Donald Trump behind the desk.**

**The first thing he would've done was
run to the bunker to protect himself.**

**He would've put himself first,
before the country.**

**And anyone who is unwilling to say
that he is unfit to be President of
the United States is unfit themselves
to be President of the United States.**

**Chris Christie,
Windham, NH, January 10, 2024**
