

Presidential immunity from criminal prosecution

**The Supreme Court has become consumed
by a corruption crisis beyond its control.**

**Today's ruling represents
an assault on American democracy.**

**It is up to Congress to defend our nation
from this authoritarian capture.**

**I intend on filing articles of impeachment
upon our return.**

**Alexandria Ocasio-Cortez,
12:32 PM – Jul 1, 2024,
responding to Trump v. United States, which
largely immunizes presidents from prosecution
for crimes committed while in office**
