

Problem solving

"See this?" he says.

"These are front-stabbing knives.

You only use these in New York.

In Washington you use a shiv,

or mechanisms in the press,

back-stabbing, subterfuge,

opposition research . . .

Not in New York.

We come at you right from the front."

Anthony Scaramucci,

quoted in Edward Luce's interview

with Scaramucci at a restaurant in New York
