

Psychopaths say

**Hillary Clinton
and her campaign of 2008
started the "birther" controversy.
I finished it — I finished it,
you know what I mean.
President Barack Obama
was born in the United States, period.**

**Donald Trump
denying responsibility for starting
birtherism and making false claims
for five years about Obama in order to
deligitimize him and and his pesidency
and to stir up racist waves he hoped to
surf to personally beneficial shores,
while propagating a new lie his
supporters are likey to believe
as fervently as the old one**
