

Public discourse

**Right or wrong, or even if
I changed my mind about it
or thought about it more,
which I'm not saying I did,
just place the thought out there
that everyone's not thinking sometimes.
Galileo, they wanted to chop his head off
for saying that the earth was
– what did he say?
That the sun revolved
around the earth, and vice versa.**

**Kanye West,
commenting on his claim
that slavery was a choice**
