

## **Public discourse**

**We're also going to place strong protections to stop banks and regulators from trying to debank you from you — you know, your political beliefs what they do.**

**They want to debank you, and we're going to debank — think of this.**

**They want to take away your rights, they want to take away your country, the things you're doing.**

**Donald Trump,  
at a New Hampshire rally in January, 2024**
