

## **Punt returners say**

**Be advised.**

**I am where I am**

**and you are where you are.**

**Where I am, I see goddamned trucks.**

**A Marine lieutenant near the Laotian border, responding to his batallion commander, who, although more than 20 kilometers away, had radioed back to the lieutenant that it was impossible for enemy trucks to be anywhere near the position from which the lieutenant had reported sighting them**
