**A final safety note here:
If your mask obstructs your vision,
you're doing it wrong.**

The 11th Hour, April 28, 2020,
responding to vice president
– and chairman of the
White House Coronavirus Task Force –
Mike Pence's claim that he
sauntered around the Mayo Clinic talking to
doctors and COVID-19 coronavirus patients
without wearing a mask because he wanted to
“look them in the eye and say thank you”**
