

## **Punt returners say**

**The irony of  
your making that statement here,  
I cannot avoid.**

**Angus King, responding to  
FBI director James Comey's claim during  
a Senate intelligence committee hearing  
that, "Especially in a public forum,  
we never confirm or deny  
a pending investigation,"  
ignoring the press conference he held  
eleven days before the 2016 election to  
announce that the FBI was reopening its  
investigation of Hillary Clinton's emails  
without announcing it was actively  
investigating Donald Trump's  
connections to Russia**
