Really?

**When my landlord comes,
can I just give him a hug?**

**Carmella Salinas,
an early-childhood-education teacher
in New Mexico who lobbied state legislators
for more funding for education after working
14 years only to earn \$12.89 per hour
for work capped at 32 hours per week,
responding to a legislator who told her,
"You didn't get into this for the money;
you're paid in love."**
