

# **Racism**

**From now on  
white women and white men  
will be forced into organizations with  
black African apes whom they will have to  
call “brother” or lose their jobs.**

**Vance Muse,  
lobbyist for the right-to-work movement,  
explaining its origins in white opposition  
to racially inclusive unions like the CIO, which  
were organizing workers throughout the South,  
including in Texas, where he lived**
