

## **Republican Party militants**

**They pass meaningless resolutions that praise God, motherhood and country but don't do anything.**

**They stick it to little people, because little people don't have access to information and can't fight back.**

**They rely on a huge tub of money that flows into their party coffers to drown out objections.**

**They have a huge juggernaut of private foundation money organized by the right-wing economic elite and they pour money into these so-called think tanks to pretend that independent research verifies their world view.**
