

# **Republican Party**

**At some point, the blame for modern Republicanism must pass from the party to an electorate that could cure it at once by levying harsher political costs.**

**Until then, the strictly tactical case for renouncing either Trump or his fabled-ism will remain weak within the party.**

**Moderate Republicans are left to petition their colleagues' consciences and principles instead.**

**It is only necessary to read that sentence to despair of their chances.**
