

Republican Party

**Right now, it's basically the Titanic.
We're like, you know,
in the middle of this slow sink.
We have a band playing on the deck
telling everybody it's fine.
And meanwhile,
as I've said, you know,
Donald Trump's running around
trying to find women's clothing
and get on the first lifeboat.**

Adam Kinzinger, May 8, 2021
