

Republicans Party

**What's true of Republicans in Wisconsin
is true of Republicans nationwide.**

**There is no part of the Republican Party
– not its president in the White House,
not its leadership in Congress,
not its conservative allies
on the Supreme Court,
not its interest groups
or its affiliated media –
that has an interest in or commitment to
a fair, equal and expansive democracy.**

Jamelle Bouie, New York Times, April 10, 2020
