

Republicans say

» All federal legislation sunsets in 5 years.
If a law is worth keeping,
Congress can pass it again.

A subpoint of Point 6 of Rick Scott's
"An 11 Point Plan to Rescue America",
written, he said, because "Americans deserve
to know what we [Republicans] will do
when given the chance to govern"
after the 2022 midterm elections

[Social Security, Medicare,
and veterans benefits are all federal legislation
they would sunset/end, most likely forever]
