## **Normalization is not an option**

**Many,  
about the Trump administration's  
anti-civil rights, anti-democracy,  
anti-green, anti-immigrant/refugee,  
anti-intellectual, anti-science views;  
and its bullshitting, bullying of critics,  
childish tweets, climate change denials,  
conflicts of interest, corporatism,  
cutting taxes on the rich, fearmongering,  
homophobia, Islamophobia, judge bashing,  
kissing Vladimir Putin's ass, lying, misogyny,  
nominating unqualified donors/supporters,  
opposition to public education, racism,  
reinstitution of torture, scapegoating,  
stuffing of courts with right-wing fanatics,  
stealing credit, sycophancy, vote suppression,  
warmongering and white supremacism**
