**My music taste
changed on 9/11 ...**

**I didn't like how rock music
responded. And country music,
collectively, it resonated with me.
And I have to say, it just is gut-level.
I had an emotional reaction that says,
"These are my people."
And so, ever since 2001,
I listen to country music.**

**Ted Cruz,
whose political career is funded
mostly by large individual donors
and billionaire-backed organizations
pandering to country boys**
