

## Selfie

So it sort of is curious.

A man works for us, with us,  
very closely, Dr. [Anthony] Fauci  
and Dr. [Deborah] Birx also,  
very highly thought of — and yet,  
they're highly thought of,  
but nobody likes me?

It can only be my personality, that's all.

**Donald Trump, July 28, 2020**
