

## **The Senate**

**Had  
[Christine Blasey] Ford not been white  
– and from the professional class –  
you have to wonder whether  
the Republican men on the  
[Judiciary] committee would have  
completely dropped their patently  
phony concern for her welfare  
and stabbed her in the front  
instead of the back.**

**Frank Rich,  
New York Magazine, September 28, 2018**
