

## **Sexual harassment**

**I think you and I should have had  
a sexual relationship a long time ago,  
and then you'd be good and better  
and I'd be good and better.**

**Roger Ailes,  
recorded by Gretchen Carlson,  
who sued him for sexual harassment  
and whose legal team heard stories  
told by more than 20 other women  
of being sexually harassed by Ailes**
