

Sleepers at the wheel say

I think it's a mistaken concept that there's a body of this country that's loyal to a person — they're loyal to a country, most of them.

**Vivek Ramaswamy,,
venture capitalist and multimillionaire who's
vowed to spend \$100 million of his money
trying to win the Republican nomination
(or to become Trump's running mate)
in 2024 by moving to the right of him**
