**Fauci doesn't care about ratings,
and this, paradoxically, has made him
a television star.**

**He is a master of anti-style style.
Everything about him speaks of
seriousness of purpose
and absence of ego.**

...

**He is the ultimate adult in the room,
and he dresses the part.**

**Dr. Anthony Fauci
portrayed by Robert Armstrong
in Financial Times, April 14, 2020**
