**I don't know them,
but I'm reminded of that old line from
the "Butch Cassidy and the Sundance Kid"
movie where – where one character says,
"Morons, I've got morons on my team."
And I have to think anybody that would
sit down with white nationalists
and speak at their conference
was certainly missing a few IQ points.**

**Marjorie Taylor Greene
portrayed by Mitt Romney,
after Greene spoke at the white nationalist
America First Political Action Conference
in Florida on February 25, 2022**
