Has anyone ever seen

The Silence of the Lambs?

The late, great Hannibal Lecter.

He's a wonderful man. He oftentimes
would have a friend for dinner.

Remember the last scene? "Excuse me,
I'm about to have a friend for dinner,"
as this poor doctor walked by.

"I'm about to have a friend for dinner."

But Hannibal Lecter. Congratulations.

The late, great Hannibal Lecter.
