**He said he didn't meddle.**

**I asked him again.**

**You can only ask so many times.**

**I just asked him again.**

**He said he absolutely did not meddle  
in our election. He did not do what  
they are saying he did.**

**Every time he sees me he says:  
"I didnt do that," and I really believe  
that when he tells me that, he means it.  
I think he is very insulted by it, which  
is not a good thing for our country.**
