

Snapshot

**To a great extent, though,
and starting with Brexit, he rode
the tiger that now devours him.**

**If he has an excuse, it is that
Stanford business school, Goldman Sachs
and the hedge fund world were the
worst possible places in which to
learn a central lesson of politics:
some people have no price,
or at least no price that
it is conscionable to pay.**

**Rishi Sunak
portrayed by Janan Ganesh,
Financial Times, December 12, 2023**
