

## **Snapshot**

**Yesterday, Trump signed an order slashing the size of Bears Ears and Grand Staircase national monuments.**

**Hey, come on – it's reasonable that he doesn't care about them: they're just national monuments; they're not Confederate monuments.**

**Donald Trump  
portrayed by Stephen Colbert  
on The Late Show, December 5, 2017,  
after Trump withdrew protections from  
two million acres of federal land in Utah  
sacred to Native Americans to open it up  
to miners, loggers, oil and gas companies**
