

State of the union

Brian Pannebecker, a 58-year-old autoworker with a presidential inauguration coffee mug and T-shirt, says President Trump is “a flawed human being, a narcissist, an egomaniac, he exaggerates, embellishes, but we true Trump supporters don't care, we just don't care, because . . . they are all liars and perverts and sex maniacs, Congress is full of them”.

Financial Times, December 30, 2017, reporting on Macomb County, Michigan, voters who helped make Trump president
