

# **Supreme Court**

**[Clarence] Thomas  
should never have been on the court.  
Now that we know his wife was plotting  
the overthrow of the government,  
he should get off or be thrown off.  
You can't administer justice when  
your spouse is running around  
strategizing for a coup.**

**Maureen Dowd,  
New York Times, March 26, 2022**
