

Surely you jest

**I am confident that
the Attorney General will work with
the IC [intelligence community]
in accordance with the long-established
standards to protect highly-sensitive
classified information that,
if publicly released,
would put our national security at risk.**

**Dan Coats,
Director of National Intelligence,
commenting on Trump's direction to
Attorney General William Barr to declassify
and divulge anything related to the origins
of the Russia probe that might suggest it
was an attempted coup to overthrow
a duly elected president**
