

Surely you jest

**Personally, I'd get rid of
dumb and dumber, the Trump sons. ...
If they fell into a barrel of tits,
they'd still come out sucking
each other's thumbs.**

**A British email prankster
who corresponded with White House officials
by pretending to be different members of
Trump's team, in an email purportedly
sent by Reince Priebus
to Anthony Scaramucci
about whom to fire**
