

Surely you jest

To me it doesn't make sense that somebody spends \$250 million on a boat where they spend eight weeks a year, but they're living in a \$30 or \$40 million house.

**Bruce Makowsky,
developer of a \$250 million,
38,000-square-foot, 12-bedroom,
21-bathroom spec house featuring
\$30 million worth of cars and motorcycles,
elevators lined with crocodile skin,
a seven-person full-time staff,
and 125 art installations.
