

Surely you jest

**You think you're having a hard time –
I've got \$5 million worth of
negative ads coming at me.
How do you think I'm feeling?
Nothing's easy. For anybody.
You think I'm a congressman,
'Oh, life's easy, this guy's
off having steaks every day.'
Baloney. I've got a daughter,
she's got to deal with that
crap on TV every day. So it's tough.
No one out there's got some easy life.
Right?**
