

Tech bros say

**The wealthy working people
have earned their right
to live in the city.**

**They went out, got an education,
work hard, and earned it.**

**I shouldn't have to see the pain,
struggle and despair of homeless
people to and from my way to work
every day.**

**Justin Keller,
founder of [Commando.io](#),
in an open letter to San Francisco's
mayor and police chief kvetching about
the city's homeless "riff raff"**
