

Terrorism

They are heavily armed with M16 rifles, pistols, butcher knives, and often all three, and they take obvious pleasure in causing pain: beating people; breaking anything breakable; stealing; torching cars and homes; destroying food, water tanks, and solar panels; and shooting in the air — and sometimes not in the air. They have a standard formula that has been repeated in village after village: "You have twenty-four hours to leave. If you don't, we'll be back to kill all of you."

David Shulman,

New York Review of Books, December 21, 2023, describing the 593 attacks by Israeli settlers against Palestinian farmers and shepards in the West Bank in the first half of 2023 alone, which are ignored by police and Israeli army occupiers
