

# Trumpism

**An upside-down flag, adopted by Trump supporters contesting the Biden victory, flew over the justice's front lawn as the Supreme Court was considering an election case.**

...

**Judicial experts said in interviews that the flag was a clear violation of ethics rules, which seek to avoid even the appearance of bias, and could sow doubt about Justice Alito's impartiality in cases related to the election and the Capitol riot.**

**New York Times, May 16, 2024**
