

# **Trumpism**

**For as much as it seems that Donald Trump has changed something about the character of this country, the truth is he hasn't.**

**Everything we've seen in the last four years – the nativism, the racism, the corruption, the wanton exploitation of the weak and unconcealed contempt for the vulnerable – is as much a part of the American story as our highest ideals and aspirations.**

**Jamelle Bouie,  
New York Times, October 29, 2020**
