

Trumpists say

The American people are smart and understand this is the epitome of the illegal and unprecedented weaponization of the federal government against Joe Biden's leading opponent, President Donald J. Trump.

The radical Far Left will stop at nothing to interfere with the 2024 election in order to prop up the catastrophic presidency and desperate campaign of Joe Biden.

Elise "Girl from the North Country" Stefanik, responding to the DOJ's 37-count indictment against Trump for mishandling classified documents

[NOTE: it's "President Trump", not "former/ex-President Trump"]
