

Trumists say

**The church
is supposed to direct the government.**

**The government
is not supposed to direct the church.**

**That is not how
our Founding Fathers intended it.
I'm tired of this separation of church and
state junk that's not in the Constitution.
It was in a stinking letter, and it means
nothing like what they say it does.**

**Lauren Boebert, June 26, 2022,
referring to an 1802 Thomas Jefferson letter
to the Danbury Baptist Association in which he
declared his reverence for the First Amendment
for "building a wall of separation
between church and state"**
