

Trumpists say

**DC would be the only state
— the only state —
without an airport,
without a car dealership,
without a capital city
and without a landfill.**

**Jody Hice,
Republican Congressman from Georgia,
who previously announced he'll be running
next year to replace Brad Raffensperger
as Georgia's Secretary of State because
Raffensperger refused to commit election
fraud by announcing Trump won Georgia,
here expressing the Republicans' argument
against granting statehood to Washington, DC**
